

## Coos Living "Coos Best Business" Advertising Rates and Packages

The mission of Coos Living is rather simple. We strive to be a positive place to showcase, share and talk about all the great things related to Coos County.

Coos Living is all about promoting the best of the best in Coos County! Our area is changing, growing and becoming something that is very unique on the Southern Oregon Coast. Our vibe is still small town and laid back as opposed to other Oregon Coast communities.

Just like our area, this site will continue to change, grow and morph. Also like our area, we welcome your feedback and want to know what you think about our site as well as things that you feel would benefit our readership. Have a suggestion?
